THE HISTORY OF HALLOWEEN FUN NIGHT

The Lifetime Tennis Halloween Fun Night has brought more and more people together at the Pleasanton Tennis & Community Park each year.

The idea came about as a way to give back to the community and provide the City of Pleasanton with an enjoyable evening of ghouls, games, and smiles.

Since the start of our event five years ago, we have served 1,500 members of the community. Our event continues to grow, and in 2010 we had over 500 participants.

We've seen many people from the community of all ages, sizes, and cultures come together on this 'Fun Night' to just have a great time. Going on our sixth year now, we hope to scare an even larger crowd.

Countless hours and amount of effort are used to transform the building inside and out resulting in our 'Haunted Hallway of Horror.'

People can also make their way to the courts and participate in many different carnival style games for candy treats.

Fun is what it's all about and we hope to be able to continue to bring our community together and create a memorable experience for many years to come.
